LOST: Alan Jackson has lost a memory stick. It's blue, but not necessarily like the one pictured. It contains his photos and church music. If you've seen it or found it, please see him.

If you would like to contribute financially to the work of Stapleford Baptist church, there are small boxes on the end of the central pews at the back of the main building – or speak to Chris Bofinger. Thank you.

Church Family

A few holiday details:

The Bofingers are all together in Australia.

And, This weekend Lise is working with the church in Palma Mallorca on one of their children's camps.

And, Abi McGowan is spending a week, called "Window on Wycliffe" with Wycliffe Bible Translators.

And, Matt & Stephen are off to UBM very soon.

And, Stephen & Richard are off to Brazil this week to spend the summer with their mum.

And, quite a few families are away or planning to go away in the next few weeks

And, other people are not going away but have looking forward to spending time at home

And, for others it might be a rather quiet time.

And, there are masses of camps, and outreach events going on throughout the country

Let's remember each other in prayer, and as Jason encouraged us on Tuesday, to love each other. Let's pray that over summer many people will come to know the Lord for themselves. Jason and Catriona are on holiday for the next 2 weeks.

A Message from Alfredo at Hogar El Alba, Longchamps, Buenos Aires July 20th 2010

To all of our Dear Friends

It is a pleasure for us to contact you on this special day, Friends Day.

In Argentina, every July 20th, we celebrate Friends Day in order to honour the people that love and enrich our lives by staying close to us all the time. For that reason we are sending you our greetings, on such a special day, to celebrate with you because you are some of our best friends.

Thank you very much for your love and your presence with us, considering your help enables every day at Hogar El Alba to take place.

May you have a nice, beautiful day and receive a huge hug from us.

Best regards, Alfredo Cittadino and Oscar Ritegno

ACT FAST:

With these notices you'll have found a card from Tear Fund asking you to petition our Government about its attitude to poverty reduction. Abi McGowan got these for us. We all need to seriously consider whether we should ask our MP, Anna Soubry for many of us, to make a clear commitment to work for poverty reduction across the world. There are some prayer suggestions on the card too. Every Christian has a duty to care for the poor, orphans, the oppressed, the weak and the needy (Psalm 82:3-4). Is this one way you can help?

THIS YEAR'S HOLIDAY CLUB 16th TO 19th AUGUST

Do you know any children you could invite to 'WOW'?
Registration forms are now available.

Alison Stain would really like another helper (not necessarily the same person) on Monday, Wednesday & Thursday afternoon. Please let me know if you are able to do any of these afternoons. Thanks (Eunice)
